## ALSGBI Basic Robotic Surgical Skills Course

This one day course is aimed at surgical trainees and consultant who are new to robotic surgery. The generic skills covered in this course will be useful for surgeons from several specialties. Delegates will benefit most from this event if they are in a position to consolidate their robotic skills when they return to their own clinical setting.

6 Hours CPD

Expert faculty includes:

**Mr Jawad Ahmad**

University Hospital Coventry and Warwickshire NHS Trust

**Mr Chelliah Selvasekar**

The Christie NHS Foundation Trust

**Mr Jim Khan**

Portsmouth Hospitals University NHS Trust
