## BIARGS Basic Robotic Gynaecology Surgical Skills Course

29/10/21

£400

This one day course is aimed at gynaecology surgical trainees and consultants who are new to robotic surgery. The generic skills covered in this course will be useful a wide range of procedures. Delegates will benefit most from this event if they are in a position to consolidate their robotic skills when they return to their own clinical setting.

Delegates will benefit from intensive hands on practice using synthetic, VR and biological tissue. 6 Hours CPD (pending)

Expert faculty includes:

**Dr Nahid Gul FRCOG**

Consultant Gynaecological Pelvic,  
Laparoscopic & Robotic Surgeon,  
Vice President BIARGS

**Dr Marielle Nobbenhuis MD PhD**

Consultant Gynaecological Oncology  
Surgeon, Royal Marsden Hospital,  
President BIARGS
