

## Surgical Approaches & Repair of Craniofacial Trauma 17<sup>th</sup> -19<sup>th</sup> October 2022

This three day course is aimed at trainees and consultants with an interest in surgical management of craniofacial trauma. The course will commence with CT imaging of injuries on human cadaveric specimens. Participants will benefit from expert guidance on treatment planning, with feedback on performance enhanced by CT evaluation of repairs.

Course Convenor:  
Mr Mike Perry,  
Consultant OMFS Northwick Park Hospital

18 Hours CPD  
Course fee: £1,250
